IMPORTANT NOTICES

04/03/2021

Dear Boarder Parents, Guardians and students,

Greetings from North Point!

I am sure, dear parents, many of you are getting the regular updates from the school. You are requested to keep checking the school website for continuous updates.

Therefore after taking various things into considerations, I would like to bring to your notice the following:

a) The students of senior classes IX, X and XII, who are present now, will be joining the school phase by phase. **Class XII will arrive on 20th March 2021. Class X students will arrive on 25th March** and **Class IX students will arrive on 31st March.** If there is any problem in reaching the school on those respective days, you are expected to inform Fr. Prefect.

b) The boarder students and the day-scholar students will have their classes separately and on different days.

c) The international students, both ICSE and ISC, are requested to obtain special permission, if need be, to reach the school on those above mentioned dates. The consent form has been attached here with. The parents are requested to go through the form, fill it and submit it to Fr. Prefect on the day of arrival.

d) We also will be sending out a google form to know how many parents will be sending their ward to the school. Your reply on this matter will help us to prepare the place better. Therefore I expect your complete cooperation on this matter.

e) The boarders are expected NOT to carry tucks with them when they come. Br. Minister will take care of their special needs if he is approached.

f) Do check your ward's boarding clothing and their school uniforms. They could be bought in the school on arrival. Fr. Prefect will assist the boys in getting them.

g) Since the safety protocols are mandatory your ward needs to take the COVID test (72 hours before reaching the School) and the negative test certificate has to be submitted to Fr. Prefect on arrival.

h) The School will take all the SOPs strictly and will insist all the students to follow them diligently. The school infirmarians will conduct health check every week on different days for the safety of your wards. After the quarantine the boarders will be checked before they begin their classes.

i) Parents who are waiting for the class XI admission are requested to check the school website next week for more details.

I wish and pray that all may go well. May our hope sustain us in the coming days too. God Bless! Sursum Corda!
